

Visiting Unipart Dorman

These instructions are designed to enable you to gain the maximum benefit from your visit to Unipart Dorman.

Getting Here

Unipart Dorman is situated on Wennington Road in Southport, Merseyside. Our postcode is PR9 7TN, but please don't put this into your Sat Nav as it will lead you down a dead end where Wennington Road is divided into two.

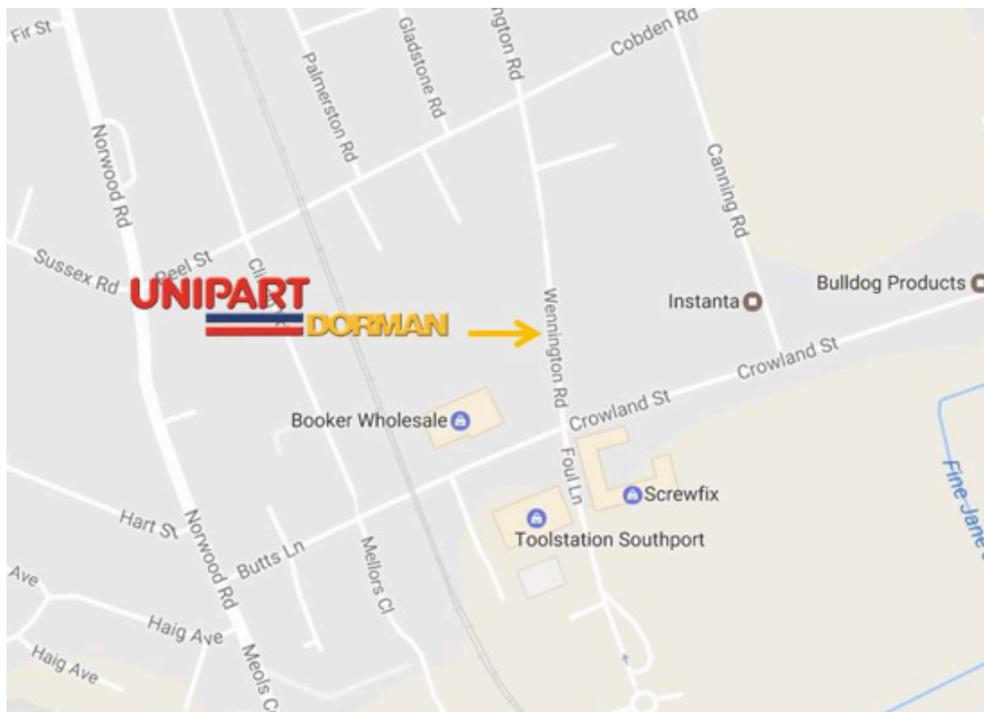

Instead use the postcode for Bookers Cash and Carry which is **PR9 7RR** and then see the map below.

When you arrive there is plenty of parking at the front and sides of the facility. In accordance with our safety policy, we ask that you reverse park into marked bays.

Please note there is a one way system in place and the site speed limit is 8 Mph.

If you intend to arrive by train the nearest railway stations are Meols Cop and the main Southport Station.

When you arrive on site, please report to the main reception where you will be booked in and undergo a short interactive safety brief.

PPE

Your host will advise you of any specific PPE requirements for your visit, but as a general rule, we ask that you wear safety footwear if visiting the warehouse area and closed toe shoes with a non-slip sole and heel if you are going into the manufacturing area. We will provide a hi-viz vest if needed.

Welfare

There is a kitchen/canteen facility with a snack vending machine and microwave ovens on site. Hot drinks and cold water are freely available.

There are plenty of toilets and one disabled toilet available. All ground floor areas are accessible by wheelchair users.

The site has a number of qualified first aiders who provide first response capability and there is also an AED with trained operators available.

Fire Safety

Unipart Dorman has a strict policy on smoking including the use of E-Cigarettes, your host will show you where the designated smoking areas are located.

If the fire alarm sounds your host will take you to the nominated assembly point.

On Site Safety

Please follow all safety instructions and signage at all times and adhere to the clearly marked walkways. We ask that visitors don't wander about the facility unattended but should you wish to see or visit somewhere, please let your host know so they can ensure you do so safely.

Photography

Please ask your host before taking photographs while on site.

Contact Details

Please inform your host as soon as possible of any special requirements or requests you would like to make your visit as comfortable and informative as possible. Your host will provide you with their contact details and the generic company contact details are:
